FREQUENTLY ASKED QUESTIONS**How does the Apprenticeship Program work?**

Once you are hired as an apprentice, you will be expected to maintain full-time employment and attend classes.

Where is the school, and how often do I attend?

Classes are held at the Inside Electrical Area 1 JATC facility which is located at the Northwest Institute of Electrical Technology at 6915 NE 42 Avenue in Portland, Oregon. Regularly scheduled classes are one evening per week from 6:00 pm to 10:00 pm during the school year. You will also be required to attend occasional labs.

How much does the school cost?

As of September 1, 2017, tuition costs approximately \$250.00 quarterly, plus books and lab fees. You will also receive college credit from Clackamas Community College. (4 qtr. per year)

Where will I work?

Our apprentices may only work for Approved Training Agents. Training Agents are licensed electrical contractors in the area who hire and train our apprentices. Once you are on the Ready for Employment list, the staff will provide you with a list of approved contractors.

What is “on-the-job” training?

On-the-job training is earning while you learn. You will work under the direct supervision of a licensed Journeyman Electrician to learn your trade while also attending evening classes.

How much will I earn?

Starting wage for a Period 1 Apprentice is \$14.48 per hr. as of January 1, 2018. Regular re-rates are earned as you progress through your classes and accumulate on-the-job hours.
